Zuhaib Asif

min() / max() functions

```
.box {  
  width: 50px;  
  max-width: 70%;  
}
```

```
.box {  
  max-width: max(50px, 70%);  
}
```

:is() pseudo class

```
button:hover,  
button:focus {  
  color: "#000000";  
}
```

```
button:is(:hover, :focus) {  
  color: "#000000";  
}
```

inset

```
.box {  
  top: 0;  
  left: 0;  
  bottom: 0;  
  right: 0;  
}
```

```
.box {  
  inset: 0;  
}
```

Logical Shorthands

```
.box {  
  margin-left: 20px;  
  margin-left: 20px;  
}
```

```
.box {  
  margin-inline: 20px;  
}
```

Individual Transforms

```
.box {  
  transform: scale(2);  
}
```

```
.box {  
  scale: 2;  
}
```
